

Synopsis

The Pismo Retreat is one of the best trips that we do all year. We will be traveling down to Pismo on Thursday afternoon for a great time at the coast. We will eat some great food, ship in San Luis Obispo, and hang out at Pismo Beach. This trip is an awesome way to get to know more people as well as grow in your faith. "Teen Quest", a local Youth ministry will be a part of this trip as well. Northside and Teen Quest are going to dominate the Central Coast. Spots are limited, so sign up today. It is going to be sweet! Seriously, it will be off the hook.
