When asked to define worship...

Worship is the essence of my Christian walk. It is acknowledging that God is God and I am but a servant; it is giving honor where it is due. Worship by definition is "reverent homage paid to God". But it goes beyond that definition. It comes from the Greek word "proskunew" which literally means "to kiss toward". Worship is the intimate relationship with God that never ends. It is a second by second intimate relationship that will continue through eternity.

When asked to describe the role of the Praise Team and Choir in the services...

Praise Team: To help lead the congregation in worship. To sing using harmonies, worship action (raising of hands, clapping, jumping, etc.), and most of all to help focus all worship to God. To be on a worship team, you have to be in choir.

Choir: To help lead in worship. The commitment is a weekly rehearsal, and then weekend performances. During special events, i.e. Christmas, Easter, there are extra rehearsals and your sacrifice of time will be needed. But each week, the choir is a "worship team". There is power in numbers and many voices. The choir is there to worship, lead, sing, and enjoy the presence of the Lord.

Worship Choir

This is for anyone with a pleasant singing voice and a heart for singing and worship. The choir prepares for and helps lead in worship. No auditions just come and join. You don't even need to sing parts, just sing along!

PRACTICE: Every Wednesday night from 6:30 - 7:30pm in the choir room.

SERVICES: Usually we sing 3 Sundays a month and some Saturdays required.

Worship Team

The Worship Team leads worship vocally in all services. They also sing special music as an ensemble. **TO BE ON THE WORSHIP TEAM YOU MUST BE IN CHOIR.** This is an auditioned group.

HOW TO JOIN: Let David Reynolds know of your interest and/or sign up for scheduled auditions.

PRACTICE: 7:45pm each Wednesday. Those that are singing the following weekend will stay and rehearse after choir.

SERVICES: Worship Team expected to sing at all 3 weekend services.

REHEARSALS: Saturday, 4:30pm & Sunday, 7:30am.
**If you can't sing at one of the services on your weekend, you need to find someone on the Worship Team to fill in for you.*
