Scriptures are clear that we are to take care of one another, especially those with special needs. This is what "Ground Support" is all about.

We are available to perform:

- Ordinary fix-it tasks
- Fixing fences
- Broken plumbing fixtures
- Simple sprinkler repairs
- Basic Auto Service
- Basic Electrical Repair
- Tasks that don't require professional expertise.

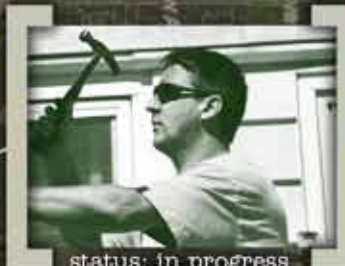

Another part of this ministry is that we are available to help people move from one home to another (we would encourage you to ask family, friends, and even members of your LIFE Group to help you move before you call us). We are not a packing ministry, but we can assemble a group of men to help you move boxes and larger items.

As we have developed this ministry we have moved several families, repaired a lady's garage door, repaired a fence, done some touch-up painting, and done lawn maintenance for a handicapped man. Our ministry is not intended to replace professionals of any kind, just provide help to those in need. If you have a need you think we could help with, please give us a call.
