Program

Northside Christian Early Childhood Development Center has been serving the Central Valley since 1995.

Our program is designed to enrich the mental, physical, social emotional, and spiritual development of your child. Keeping in mind that each child has his/her own unique pattern of growth, we desire to help your child grow in his/her knowledge of God and the world around him/her. The end result will be positive self-worth and a sense of accomplishment.

Our classes are small and are led by teachers who are chosen on the basis of their education and experience as well as their enthusiasm and loving character.

Our school's daily activities include the following: Art - Literature - Reading Readiness - Math - Cooking - Christian Nurture - Music - Science - Dramatic Play - Motor Skills & Snack.

Parents will be informed on their child's progress through daily conversations with the teacher, home visits, and conferences.

Northside Christian Church

Welcome!

Dear Friends,

Northside Christian Preschool exists to serve you and your child. Many of life's impressions are formed at a very early age. We are here to have a part in molding those impressions in a positive and Godly way.

Each day that your child is in our school you will see growth and joy. We are proud of our facilities and teachers. I assure you that our church and our school have a very special interest in you and your child.

Please feel welcome to visit our church during our Saturday night service at 6:00pm or Sunday morning services at 9:00am or 10:30am.

Thank you for the opportunity to affect the life of your child.

Yours for Christ,

David N. Rutherford
